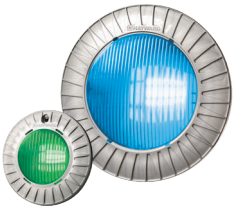
Create the ultimate pool and backyard experience with ColorLogic® lights.

ColorLogic lighting lets you create any backyard ambiance you want, while saving you up to 86% on energy costs. Available in a variety of sizes, it's the easy way to turn any pool into paradise.



Universal ColorLogic LED pool and spa lights retrofit virtually any existing pool or spa while delivering best-in-class performance and illumination for truly vivid color.

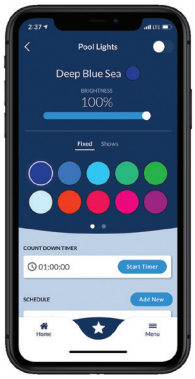
ColorLogic 320 & 160 LED lights are perfect for low-profile pool and spa lighting or as accent lighting in landscaping or water features.

ColorLogic 120V LED pool bulbs retrofit most pool light fixtures for a total transformation in seconds.

ColorLogic 80 LED lights can be used wet or dry to illuminate hard-to-reach areas like steps, water features, landscaping, decking, sun shelves, waterfalls and more.

COLOR AT YOUR FINGERTIPS.

The ColorLogic Light Controller puts the power of vibrant LED lighting anywhere you want it. Easily installed over any existing light switch, it lets you choose the perfect color for your pool from right inside your home using the convenient dial and preview window.



EVEN MORE OPTIONS WITH OMNI® AUTOMATION.

Access additional capabilities with OmniDirect Mode™ by pairing any low-voltage ColorLogic standalone light with Omni automation systems and the OmniLogic app. OmniDirect Mode offers:

- Instant navigation to desired colors or light shows (no more cycling through every option)
- Dimming capabilities (20% increments)
- Speed adjustment for light shows
- Access to 10 additional colors for increased customization opportunities (special occasions, sports teams, school colors and more)

DISCOVER THE SPECTRUM OF POSSIBILITIES.

ColorLogic® LED lights come with 10 fixed colors and 7 color-changing light shows, plus 10 additional options when paired with automation, so it's easy to set the mood for any occasion.
