PENTAIR POOL

LIGHTING

GLOBRITE®

POOL AND SPA LED LIGHT

Take poolside evenings from great to spectacular with GloBrite lights, a creative way to showcase and enhance pool features like baja shelves, steps, beach entries, water features, and other LED technology for bright, energy-efficient lighting.

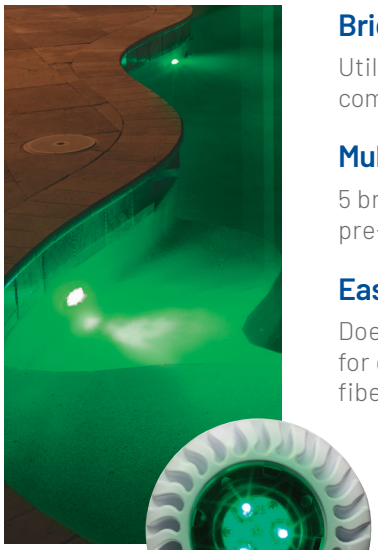
www.pentair.com

Breathtaking Illumination makes pool designs come alive.

Add the magic and vibrancy of GloBrite white LED Lights to your nighttime poolscape. GloBrite LED Lights highlight your pool's form and finishes, such as colored plaster, aggregates, pebble, ceramics, stone tile, and glass tile. Natural colors and textures are enhanced and spring to life. Plus, for the white models, you can choose from three adjustable brightness levels to set the perfect mood.

Key features

- **LED array**
  Creates powerful illumination with remarkable energy efficiency compared to incandescent lights.
- **Optimized brightness**
  GloBrite white models offer three levels of control. Choose from 100%, 75%, or 50% brightness.
- **Variations**
  Available for concrete, vinyl, and fiberglass.
- **Design flexibility**
  Compact design allows for innovative placement near steps, water features, swim-outs, and more. Install in water as shallow as 4 inches.
- **Automation compatible**
  Fast and easy control from the palm of your hand with IntelliCenter® Pool Control System or Color Sync™ Controller.



Bright and efficient

Utilizing less energy than comparable incandescent lights.

Multiple colors and shows

5 brilliant fixed colors, 7 dazzling pre-programmed light shows.

Easy to install

Does not require grounding or bonding for quick and easy installations in fiberglass, concrete, or vinyl niches.
