## AquaLink® RS

POOL & SPA AUTOMATION

# Automate And Control Your Backyard Experience With The Most User-Friendly, Innovative Pool Control System.

Jandy® AquaLink® RS gives you total control of more than 30 individual pool and spa functions from the comfort of your home or anytime, anywhere with the highest rated pool control app in the industry — iAquaLink®.

### Advanced Pool & Spa Automation

Ingenuity, style and ease of use unite for the ultimate pool automation experience

### Convenient Control

Manage more than 30 individual pool and spa functions from home or on the go

### Connect to Home

Seamless integration with home automation when you use the iAquaLink® app

---

### One-Touch Operation

Create schedules to run your pool more efficiently with the touch of a button

### Join the Crowd

Highest Rated Pool Control App in the industry with over 50k 5-star reviews

### Seasonal Adjust Technology

Automatically adjusts with the seasons to optimize efficiency and energy savings

# Control Your Way

Control your pool anytime, anywhere with the iAquaLink app, wall-mounted or spa-side controls or a wireless handheld remote.*

### iAquaLink 3.0 Web Connect Device

Enable pool and spa control through the iAquaLink app with the iAquaLink 3.0 Web Connect Device.

### One Touch Control

The Jandy AquaLink RS One Touch wall-mounted controller allows you to set schedules and control features to bring your backyard experience to life.

### Remote Control

Whether you're inside your home or out in the backyard, you can turn your system ON/OFF with the AquaLink Wireless handheld remote.

### Convenient Spa-Side Controls

AquaLink RS Spa-Side Controllers let you raise or lower spa temperatures and turn on jets, lights and more from inside your spa.

*Additional user interfaces sold separately
