

INTELLICHLOR®

SALT CHLORINE GENERATOR

THE ONE YOU KNOW IS BACK

THE SALT CHLORINE GENERATOR PROS ASK FOR BY NAME

For years, pool professionals have counted on the IntelliChlor salt chlorine generator. You told us you wanted the IntelliChlor salt cell you knew and trusted. We listened. Pentair Pool is reintroducing select legacy IntelliChlor models, bringing back familiar operation, straightforward diagnostics, and dependable salt chlorine generation.

KEY FEATURES

- **Easy At-A-Glance Status** - LEDs clearly communicate salt level, water flow, cold-water status, cell condition and sanitizer output.
- **Simple Push-Button Adjustment** - MORE and LESS controls make it easy to fine-tune chlorine output for changing pool conditions.
- **Built-In Boost Mode** - Set output to 100% for 24 hours of pump run time when chlorine demand increases after heavy rain, warmer weather, or heavier pool use.
- **Automatic Self-Cleaning** - The cell periodically reverses polarity to help reduce calcium and scale buildup without interrupting chlorine production.
- **Cell Protection Built In** - Flow, salt, and temperature sensing help prevent operation when conditions are not right for chlorine production.
- **Cell Life Visibility** - A built-in usage-hour meter helps pool professionals assess cell usage and plan for replacement.
- **Pentair Automation Compatibility** - Compatible with Pentair automation systems, such as an IntelliCenter® Pool Control System.

KEY REASONS POOL OWNERS CHOOSE THE INTELLICHLOR SALT CHLORINE GENERATOR

When selling a salt chlorine generator, remember that the benefit for the pool owner is silky, softer-feeling water, reduced pool maintenance, and consistent sanitation. The full benefits include:

- **Silky, softer-feeling water** that's gentler on skin and eyes.
- **Consistent chlorine production** for more stable water quality & less bleached bathing suits.
- **Less pool maintenance** and fewer trips to buy chlorine.
- **Convenience** of not buying, carrying, storing, or handling chlorine.
- **Fewer strong chlorine odors** often associated with traditionally chlorinated pools.
- **Built-in automation** helps reduce the day-to-day work of pool ownership.
- **Peace of mind** knowing your pool is continuously producing chlorine while the pump is operating.
